ABOUT COMPANY

A TRUSTED NAME IN FIRE PROTECTION

DM Safety Services LLC is an established fire protection company specializing in the **installation and maintenance of firefighting systems, fire alarm equipment and firefighting pumps**. We are a proudly approved vendor by both **Sharjah Civil Defense and Dubai Civil Defense**, reflecting our compliance with the highest safety and regulatory standards.

Our experienced team of engineers, technicians and safety professionals is equipped to support clients with reliable, up-to-date solutions — from a single fire extinguisher to the full fire protection package for a high-rise tower, industrial facility or vessel. Beyond land-based buildings, our **Marine Fire Service (MFS)** division delivers marine fire and safety equipment and services worldwide, extending our "Safety First" commitment from the shore to the sea.

OUR MISSION

To provide comprehensive fire protection and safety solutions that exceed industry standards, ensuring the highest levels of safety, reliability, and regulatory compliance for every client we serve.

OUR VISION

To lead the fire and life safety industry by delivering innovative, sustainable, and customer-focused solutions that protect lives, preserve assets, and inspire confidence across every sector.
